

Exercise 5. Git History

1. Henry Jin. Checked with the git log command. E.g. `git log --author="Henry Jin" --oneline --shortstat` and compared the results with `git log --author="Richard Friedman" --oneline --shortstat`
2. 3 - Git log Examples_icv.tex
3. "enacted SIMD examples (299) and misc changes (432)". `git log Title_Page.tex`
